Re: Transfer of Notice of Intention for Small Mining Operations from Northern Stone Supply, Inc., to Jack Roberts, Ebony and Ivory Project, S/027/057, Millard County, Utah

Dear Mr. Roberts:

On November 2, 2000, we received the completed Transfer of Notice of Intention of Small Mining Operations to transfer the Ebony and Ivory #1 small mining project located in the NW1/4 SE1/4 NW1/4 of Section 15, T23S, R13W, Millard County, Utah from to Northern Stone Supply, Inc. to Jack Roberts. Along with the transfer form was the \$300.00 permit fees for 1998, 1999 and 2000 which brings the fees for this project current.

The Division Director signed and executed the transfer document on November 15, 2000, *which effectively transfers the responsibility of this mining operation and reclamation to you.* A copy of the transfer form is enclosed for your files. You are now the official party responsible for all mining and reclamation obligations and permit fees for this project.

By copy of this letter the Division hereby officially releases Northern Stone Supply, Inc. from any further reclamation responsibilities at this site. Thank you for your help in finalizing this transaction. If you have any questions or concerns regarding this letter, please contact me at (801) 538-5286. Best of luck with your new mining venture.

Sincerely,

D. Wayne Hedberg
Permit Supervisor
Minerals Regulatory Program
